

Health and Social Care

Is this you?

- You want to help people
- You are caring, creative and energetic
- You have a sense of humour
- You are willing to work with others
- You can cope with different situations

If you answer 'Yes!' to all these

- Our Health and Social Care courses are for you!

Your choice:

(A) Level 1 Health and Social Care

- Study health and social care and childcare all in one year
- Plenty of practical elements to the course
- No placement involved

(B) Introduction to Care

- Few formal qualifications required to join the course
- Build up your own confidence
- Progress to the next level

(C) Working in the Care Sector – Employability

- Learn to become thoroughly prepared to work in the sector
- Receive practical support to gain employment, e.g. CV writing, arranging work experience, setting up job interviews
- This course offers a combination of three City & Guilds accredited qualifications:
 - delivered over a period of three weeks
 - gain a solid foundation to further study in the Health & Social Care sector.

(D) Level 1 Award in Preparing to Work in Adult Social Care

- **The Care Certificate**
 - 15 individual courses designed to meet each of the certificate's essential standards.
 - key component of the overall induction that employers must provide
 - meets the essential legal standards set out by the Care Quality Commission
